## (54) CARPET AND ITS MANUFACTURE

### (57)Abstract:

**PURPOSE:** To manufacture a beautiful carpet abundant in variation with a good efficiency by planting a pile in a color or quality different from that of a pile design pattern by means of a tufting machine to the non-pile design pattern part of a carpet main body with a hand work.

**CONSTITUTION:** Onto a foundation 1, pile design patterns 2 and 3 by the tufting machine and a pattern part 5, in which the pile is not tufted, are formed. On the foundation 1 surface of the pattern part 5, a pile 15 of a thread in a color or quality different from those of the pile design patterns 2 and 3 by the tufting machine is planted by the hand work. As a result, the carpet having beautiful design pattern with a change abundant in an elegance, in which the merits by the tufting machine and hand work are exhibited, can be manufactured with good efficiency.
